Sir:

On April 26, 2004 Applicants mailed an IDS. The PAIR system shows that the USPTO received the IDS and docketed in the system on April 28, 2004. When the Examiner sent a Notice of Allowance over a month later (June 3, 2004), the Information Disclosure Statement with the Examiner's initials was not included. Please send the applicants a copy of the Information Disclosure Statement with the Examiner's initials for our files.

Thank you.

Sir:

The title on the Notice of Allowance does not reflect the amendment made by the Applicant on March 11, 2003. More specifically, "in situ" was added to the title in the amendment. Therefore, Applicants have amended the title on the fee transmittal to reflect the amendment.
